Re: Leap's 8th E911 Quarterly Report

Gentlemen:

Pursuant to the Commission's July, 2002 Order to Stay,¹ Leap Wireless International, Inc. (and its Cricket Communications subsidiary) respectfully submits its eighth Enhanced 911 ("E911") quarterly implementation report for the period ending August 1, 2004. As stated previously, Leap filed a voluntary petition for relief under Chapter 11. Despite our financial restructuring process, we continue to aggressively proceed with the E911 compliance and mandates.

1. Status of Pending Requests

As of July 30, 2004, Leap provides Phase I service to 178 PSAPs in 13 states and Phase II to 81 PSAPs in 5.

In accordance with the FCC public Notice released on June 6, 2003, CC Docket No. 94-102, the attached Appendix A lists the status for all Phase I and II requests including

¹ See Revision of the Commission's Rules to Ensure Compatibility with Enhanced 911, Order to Stay, CC Dkt No. 94-102 ¶¶ 28-30 (rel. July 26, 2002) (the "July Order").

PSAPs deployed, pending, and invalid requests due to the serving area falling outside of Leap's coverage area.

Leap has 8 Phase I requests and 24 Phase II requests that are currently in the process of deployment. These requests will be deployed within the 6-month timeframe or a timeframe that is mutually agreed upon with the PSAP, as noted in the "Projected Deployment Date" column on Appendix A.

2. Status of Handset Deployment

As previously reported, Leap began selling ALI-capable handsets (Kyocera 2325 model) on June 30, 2002. In February 2003, Leap added a second model (the Motorola v120e) and was able to exceed the May 31, 2003 benchmark requiring that at least 25 percent of new activations have ALI-capable handsets. In addition, Leap previously reported that we exceeded the November 30, 2003 benchmark of 50 percent penetration. Leap's handset distribution in direct and indirect channels sold 99.44% GPS ALI-capable handsets by the May 30, 2004 benchmark.

As required in the July Order, Leap is providing this implementation report to the Association of Public Safety Communications Officials (APCO), the National Emergency Numbering Association (NENA) and the National Association of State Nine One One Administrators (NASNA). If any recipient of this report should have questions or comments concerning the information contained in the report, they should contact Nancy Kauler, Senior Program Manager, at 858-882-6185 or Laurie Itkin, Director-Government Affairs, at 858-882-6226.

Please note that I am an officer of Leap. Please note also that this notarized Report will, in accordance with the July Order, serve as an affidavit authenticating the facts set forth herein.

I swear under penalty of perjury that the facts set forth herein are true and correct to the best of my knowledge information and belief.

Glenn Umetsu
Chief Operating Officer

Cc: Laurie Itkin
